CONNECT TO BUILD  
INTERIOR SOLUTIONS

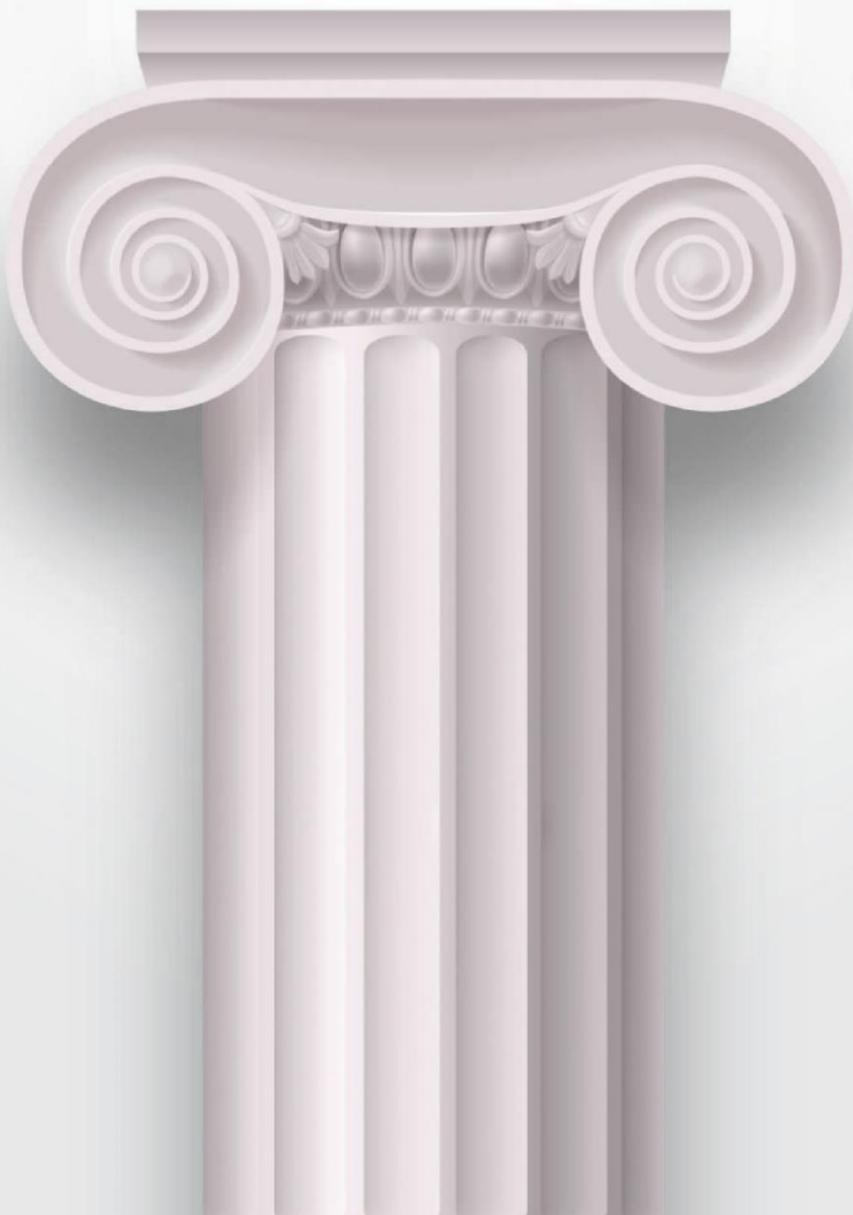

We Shape our buildings, thereafter they shape us.

# CHANGING PARADIGMS

The world is changing rapidly to confirm the eternal truth that change is the only constant in this world. These changes are often affecting our living and often lifestyles to upgrade as per the contemporary standards. The changes that matter to us are fashion, food and most importantly the living conditions and this is where architects & interior designers make a big impact on our lives.

We 'Connect to Build' are a design company in the field of architecture & interior designing who look at human life in a very humane way to add distinct features in your lifestyle. We are equipped with adequate resources to undertake any small or big assignment on turnkey basis and complete it with a mark of satisfaction to make us a one stop design solution company in this city.

# OUR VISION

To be the leading interior fit-out contracting company in the region by providing unparalleled quality services and consistently delivering effective, sustainable, innovative solutions to our valued clients.

# OUR MISSION

- To execute work based on a long term partnership
- To foster the innovative and creative culture.
- To encourage the prosperous working environment and constantly developing operational skills and professionalism of our staff.
- To differentiate ourselves by employing the best resources and the latest techniques.

## **QUALITY POLICY**

Connect to Build is a socially aware company that firmly reiterates its responsibility on a very professional level to ensure best and all beneficial policies.

We are committed in achieving and reinforcing customer satisfaction, by means of continually improving and delivering high quality services, in order to meet and surpass the customer expectations and requirements for every facet of our business. We aim to embrace customer oriented processes practices and comply with the standards as the basis for business excellence.

## **EHS POLICY**

We are committed to provide and maintain a safe and healthy work environment with a focus on continuous improvement toward an accident-free workplace through effective education and training, in line with the industry standards and legislative requirements. We shall strive to eliminate any foreseeable hazards which may cause property damage accidents, or personal injury/ilness

Our earlier works include a plethora of activities that include architectural and interior design assignments for Corporate Sector, Hospitality Sector, Residential Projects, Commercial & Retail sector, Healthcare sector, Educational Institutions, Financial Sector, etc.

Each of these sectors has specified in-house needs and the interior needs to be accordance to requirements. The design has to ensure hassle free operations. As per our philosophy Think Design, we enable ourselves to foresee the operations and make a design that includes every specification. We also visualize the constraints and take measures as to overcome them

While incorporating all the thoughts, we meticulous to keep the elegance intact as to heighten the beauty and enhance the utility.

## PROCESS FLOW

The interior design and fit out service that includes everything you need, always. It's all here.

**Work-place strategy, building evaluations, space planning, interior office design and a full fit out service that includes building, engineering, technology, furniture, equipments and authority approvals.**

In fact, our office fit out service is so comprehensive; it delivers everything you need for your new place. To make our all-inclusive office fit out service easy for you to manage; we package all the deliverables, based on your budget into one fixed contract price.
